## Schools Will Re-open In Antioch Next Week; Expect Big Enrollment

### Public Schools Meet Tuesday; St. Peter's to Start on Wednesday

It's back to school next week for the hundreds of Antioch Township public and parochial school children.

Antioch Township High School and the Community Consolidated Grade School will have organization sessions Tuesday and resume regular classes on Wednesday.

St. Peter's Grade School will open on Wednesday with the cafeteria in operation the first day. Sister Mary Claire Ellen again will be in charge and she is anticipating an enrollment of 325.

Students at Antioch Township High School will meet by classes in the girls' gymnasium Tuesday. The freshmen will report from 8 to 10 a. m.; sophomores from 10 to 12 noon; juniors 1 to 2:30 p. m. and seniors 2:30 to 4 p. m. They will receive class schedules and textbook receipts.

Antioch Grade School will be in operation until 2:00 o'clock the first day of school, Tuesday, after which the teachers will meet in the cafeteria for an introductory teachers' meeting. Bus schedules for those living in the country will be practically the same as last season.

### Transport to High School

All eighth graders will meet throughout the year, at the grade school, from where they will be transported each day to the high school where they are to have their classes this year. Since the high school cafeteria will not be in operation until the second day of school Wednesday, Sept. 2, eighth grade students will be returned to the grade school at 12 o'clock noon, the first day of school, where they can be served in the cafeteria, or eat the lunch which they have brought from home. Those who bring lunches may purchase milk in the cafeteria, as in the past.

Beginning the second day of school, all eighth graders should plan to eat in the high school cafeteria, or bring their lunches, as students at the high school are not allowed to leave the grounds during the lunch period.

Parents are urged not to forget birth certificates for all kindergarten children, and first graders who have not previously been enrolled in Antioch Grade School.

**No Further Building Delay**  
During the past month, the building program at the grade school has been held up by the lack of steel. This steel has now been delivered, so there should be no further delay in our building project.

### Legion Queen Leaving For Washington, D. C.

Miss Joan Cervenka, this year's Legion Carnival Queen, and her mother will leave for Washington, D. C., Tuesday, Sept. 8 via TWA Constellation. They will leave Chicago at 10 a. m. and will arrive in Washington, D. C., at 1:30 p. m.

The return trip will also be by TWA Constellation and Miss Cervenka and her mother will be back at Grass Lake early Saturday morning.

Reservations have been made for the Queen and her mother to stay at the Statler hotel which is within walking distance of the White House. The Washington, D. C., headquarters of the American Legion is acting as host during this trip and has arranged a very fine schedule which will be a very highly entertaining and educational visit.

The entire cost of this trip to Washington, D. C., is at the expense of the Antioch Legion Post 748 in recognition of Miss Cervenka having been crowned Carnival Queen during the Legion Carnival last July.

### John Mycholuk Dies At Shostak Home

John Mycholuk, 87, died at the home of his daughter, Mrs. Alex Shostak at 2 a. m. Wednesday after a two week illness. The body was taken to the Mizyka Funeral home at 2187 West Chicago Ave., Chicago. Funeral will be at 1 p. m. Friday from the funeral home.

Mr. Mycholuk came to the United States in 1938 to live with his daughter, Frances (Mrs. Shostak). They moved from Chicago to Pettit Lake eight years ago. Mr. Mycholuk had sons and daughters in Poland, but had received no word from them through the Iron Curtain.

## Teenage Boat Races Again on Sept. 12 at Petite Lake Resort

A successful teenage outboard motorboat race at Petite lake last Saturday will be repeated Saturday, Sept. 12 with Matt Nolan and the Chicago Woodworkers Tool Works, Chicago, as sponsors.

The race will be held at the Nolan resort starting at 1 p. m. and will be public.

The results of last Saturday's races were as follows:

Class A-1—Pete O'Brien, Channel lake, winner.

Class A-2—David Hoffman, Wheeling, winner.

Class B-1—Ken Schultz, Lake Catherine, first; Don Brock, Hinsdale, Ill., second; Bob Hurdle, Lake Catherine, third.

Class B-2—Bob Lunde, Wheeling, first; E. J. Zender, Pistakee Bay, second; Jim Hoffman, Wheeling, third.

Class C-D—Kiben Costello, Cicero, first; Ronald Flatium, Bluff lake, second.

Free-for-all—John Hoffman, Wheeling, first; Bill Knourek, Channel lake, second; C. J. Zender, Pistakee Bay, third.

## Low Bidding Reduces Cost on Water-Sewer Project to \$29,662

### \$35,000 Bond Issue to Be Floated to Take Care of Added Costs

It isn't going to cost the village as much as the trustees thought it would to get the deep water well, connecting water mains and sewer mains on village property east of the Soo Line tracks.

The total cost of construction will be \$29,662.65 in contrast to Engineer David Miller's estimate of \$35,000 and the forecast total of \$33,000 last week.

Inland Lakes Sewer and Water Company of Grayslake was the only bidder on the lift pump, which it will install at a cost of \$3,240.

That company previously was the only bidder on the water mains using cast iron pipe at a cost of \$6,027.40, and on the sanitary sewer line at a bid of \$6,991.25, making its overall bid \$16,258.65 and it will get the contract.

The Layne Western Company of Aurora, Ill., was the previous low bidder on the water well and will get the contract at \$8,454.

**Laursen Gets Contract**  
Arthur Laursen was the lowest of three bidders on the house that will shelter the new pump. He bid in this and the electrical equipment at \$4,950 in contrast to a bid of \$5,853.70 by Homer La Plant and \$5,789.12 by William Gray.

As soon as the successful contractors sign and provide performance bonds which should be some time this week, the checks of the unsuccessful bidders will be returned.

It is expected that work on the new project will start in the next few weeks. The water well and the sewer will be connected up with the present system of Antioch. Engineering and other costs of the project are expected to approach \$5,000, so the village will issue \$35,000 in bonds at 4 per cent interest.

The board met in the social room of the fire station because of the remodeling of its building on Main street.

## Start Remodeling Work On Old Fire Station To Make New Offices

### Village to Have Place to Collect Bills and Issue Licenses

Remodeling of the front of the village hall is under way and before long office space for the village clerk, Clarence Shultz, and other village officials will be available.

The front will be slightly different from that first suggested by the architect. The modern style of slanting the wall and glass in recess fashion with the door at the north side of the front will be followed, Mayor McMillen said.

A counter over which the clerk can sell licenses and receive money for water bills will be installed. There will be a desk for the treasurer, Mrs. Martha Hunter and the clerk.

A room between the office and the present meeting room of the trustees will be used for the storage of records and supplies.

Clerk Shultz will be available at the new office most of the business hours.

The job of remodeling the building was let to Antioch Builders with Homer La Plant and Emil Hallways and their helpers doing most of the work at a cost not to exceed \$1,400. To speed up the job the trustees were planning to avoid getting bids by splitting up the job in contracts under \$500 each, but the bidders waived this action and it was awarded in a lump sum.

Trustee Ed Vos, home from his vacation Monday was surprised to find that nothing had been started on the building although the job had been awarded 10 days before. He got busy and by Tuesday morning the old doors were removed and work on the new front started.

The front room of the building housed the fire equipment for many years, and more recently the Rescue Squad trucks before that building was erected.

Because of the construction work the board met in the basement of the new fire station Tuesday evening.

## Central High to Open Tuesday, September 8

Central High school at Paddock Lake will open next Tuesday and students will be asked to bring their lunches the first day, Principal A. H. Erickson announced.

Bus routes will be practically identical to those of the closing days of school last year, and students are asked to be ready to board them by 7:20 a. m. the opening day. Adjustments in the time schedule will be made at the school.

All Somers township students of the northeast of Junction A and Rte. 31 will meet the bus at the intersection of those two roads.

Book rental fee of \$2.50 will be collected on the opening day. Any additional information may be obtained by telephoning Bristol 108.

### Two Fire Calls

The Antioch Fire Department was called Sunday to Shady Nook at Lake Marie to extinguish a grass fire, and later to the Cottler cottage, Petite lake, where grease in a stove caught fire while the family was preparing a turkey dinner. The damage was negligible.

### ANTIOCH ASSESSMENT ROLL IS PUBLISHED

The assessment roll for the Town of Antioch, as fixed by the assessor, appears on pages 3, 4 and 5 of today's issue of The Antioch News. Every resident of the Town of Antioch, which includes the Village of Antioch should make it a point to check up on the amount of his assessment.

Any property owner who objects to the amount of his valuation should file a formal complaint with the Board of Review within 10 days from the date of publication of this assessment roll.

## Watch Those Lifelines

## Sports Car Race Set for Sept. 13 at Wilmot Course

### Midwest's Finest Amateur Drivers Will Compete For Trophies

Second race on the new Wilmot Hills sports car race course will be held on Sunday, Sept. 13, according to Eddie Lee and Charles Danforth, promoters of the new track. The race meet on the 13th will be the last this year, according to present plans.

Advance entries from members of the Sports Car Club of America indicate that a large field of cars and drivers will be on hand to insure keen competition.

The new track, built expressly for use in sports car racing features 27 turns, roller coaster hills, and sharp turns. Midwest drivers of sports cars have acclaimed the track as one of the best in the United States.

Arrangement of the track is such that a clear view of almost the entire course may be had from atop the ski hills, highest in southern Wisconsin.

## Hayloft Jamboree of Women of the Moose Attracts Large Crowd

A near capacity house greeted the Hayloft Jamboree staged Saturday night by the Women of the Moose at the Antioch Grade school.

It was a good performance and as the result of the success of the entertainment the performers will give a part of the entertainment Sept. 10 for patients at Downey hospital.

The entertainment was directed by Mrs. Florence E. Dexter, chairman of the women's unit, and postmaster at Trevor.

Those taking part were: Florence E. Dexter, Margie Blank, Hink Swantz, Howard Haase, Bill Benson, "Capple" Ruthe (master of ceremonies), Ronald Arndt, Penny Anderson, Ronald Toepfer, Leonard Toepfer, Jr., Leonard Toepfer, Sr., Frank Mattis, Frances Mattis.

Carole Grienke, Emille Schultz, Amelia Greenwood, James Morse, Lila Palinske, Norman "Red" Mollitor, Reta Hilbert, Russell Longman, Harold Hernke, Gene Wire, Mrs. Ray Morton and family, Ruth Hallway, Dorothy Kennedy and Jane Meyer.

Square Dancers—Mr. and Mrs. Lester Palmer, Mr. and Mrs. William Horton, Mr. and Mrs. Marilyn Hagen, Mr. and Mrs. Oscar Hagen, Mr. and Mrs. Gene Arnold, and Gilbert Tuttle, caller.

Square Dancers from Trevor Grade school—Pattie Sue Plunkett, Theresa Mattis, Gilmer Badger, Jerry Lubeno, Michelle Stowell, Mary Lou Wilcox, Jimmy Holtz, and Curtis Tollison, caller.

Choreans—Harry Dexter, Ben Noble, Joe Gortitz, Charles Cermak, Frank Kennedy, Ray Morton, William Bush, Walter Good, Gilbert Elsfelder, Carl Crifasi, Robert Taylor, and Lester Nelson.

### Grant Tapping Privileges

The village board Tuesday evening granted two property owners the privilege of tapping the 4-inch water line on Orchard st. at \$1.25 a linear foot of property frontage as a share on the cost of the line. One owner will pay on installments.

## Mrs. Augusta Wiggins, Dies at Libertyville, Reached Age of 101

Mrs. Augusta Hardinman Wiggins, who for many years spent her summers at Lake Catherine, reached the age of 101 years at the time of her death last Friday, Aug. 28 at the Wayside Nursing Home, Libertyville.

She has lived at the Libertyville home three years and had been ill since last July.

Mrs. Wiggins was born Sept. 17, 1852 in South Hampton, England, and came to the United States at the age of 13. She lived in Cleveland, Ohio, Portland, Me., St. Petersburg, Fla., and Chicago at various times.

She was quite active in her advanced years and during World War II she did sewing for the Red Cross.

Mrs. Wiggins was a member of the Christian Science church from the time the movement began.

Her husband, the late Francis Wiggins, was a Civil War veteran, having been a prisoner at Libby prison camp. He fought at the battle of Appomattox, and was present when the Confederate forces under General Lee surrendered to General Grant. He also fought at Gettysburg.

Mr. Wiggins was a cousin of the late Kate Douglas Wiggin, author of Mrs. Wiggs of the Cabbage Patch.

Mrs. Wiggins' only surviving relative is George O. Bayrd, a cousin, of Antioch and Florida.

The funeral was held at 1 p. m. Monday at the Strang Funeral home with Mrs. Henry Paulson serving as reader. Interment was in Rosehill cemetery, Chicago.

## Plan Stag Party For Squad Dads And Boosters

A football stag party has been planned for 8 p. m. Monday, Sept. 14 at the Antioch Township High School.

All men in the community have an invitation to come, Paul Kessenich, coach of the Sequoias said. Fathers of all boys out for football are especially asked to be present, Kessenich said, but anyone who is interested in football is welcome.

It will be a sort of "back-the-team" get-together, he explained.

Movies of the Wisconsin-Southern California Rose Bowl game will be shown and refreshments will be served.

## Grass Lake School Will Enroll on September 8

Grass Lake school will open September 8. Children will enroll on that day. All first graders must bring their birth certificates and must be six years old on or before Dec. 1.

Books will be on a rental basis the same as last year.

Hot lunches will be served from September 14. Teachers are: first and second grades, Mrs. Eleanor Kufalk; third and fourth, Mrs. Ida Kufalk; fifth and sixth, Mrs. Barbara Madden; seventh and eighth, Mrs. Robilyn Golden.

### To Attend State Meeting

The village board voted Tuesday evening to send delegates to the state convention of Illinois Municipal League at Springfield Oct. 4, 5, and 6.

## Heat Wave Sets All Time Record Of 100 Degrees

### Corn and Soy Beans Drying Up; Some Villages Without Water

An officially recorded temperature of 100 degrees Tuesday afternoon broke all heat records for the month of September in Antioch Roy Kufalk, co-operative observer said.

It was the third time in Kufalk's 13 years of weather recording that the mercury has ever climbed to 100. He said that in July and August, 1941 temperatures of 100 and 101 were reached, but no such high readings were recorded for September.

Tuesday's all-time high for this area was the eighth consecutive day in which the temperature reached 92 degrees or higher.

The coldest for August was 52 degrees on the 19th and 20th.

There were but 2.16 inches of rain in August. No rain fell after the early morning of Aug. 12, causing a drought that has badly damaged what was expected to be a good corn crop.

You could just smell the corn cooking out in the fields," said Kufalk.

The dry weather will have the effect of shriveling up the kernels. Soybeans too are firing and will likewise be badly damaged if there isn't rain soon.

While such Lake County villages as Zion, Libertyville, Mundelein and Lake Bluff are so short of water that they have either had to limit or ban lawn sprinkling, Antioch has had a good supply.

### Approached 100 Wednesday

Wednesday's temperature was 99 1/2 degrees, a half degree less than Tuesday's record of 100, but it will be recorded as 100 degrees nevertheless, Kufalk said.

Today is expected to be much cooler and the end of the extremely hot weather is approaching.

Kufalk went through his records yesterday and confirmed the 101 degree temperature for July 29, 1941 and the 100 degree temperature of August that same year.

In 1950 and 1951 the temperature never reached 90.

## Village Board Passes Tax Levy Ordinance

A tax levy totaling \$23,625 was established through ordinance by the village board Tuesday night.

Of this amount \$7,600 was for water and sewage, the rest of the \$16,025 included such items as:

General corporation, \$550; salaries and supplies, \$1,500; police \$2,750; public works and building, \$1,900; fire department, \$2,200; health, \$75; legal fees, \$600; streets, \$4,500; insurance \$200; parks and playgrounds, \$500; contingencies, \$250; working cash, \$1,000.

Village Atty. Edward Jacobs informed the board that it could not obtain park and playground tax money because it has no park commission required by law to administer the money.

The board paid in excess of \$5,000 gasoline sales tax money to the Liberty Petroleum Co. for construction of Orchard st., which leaves 10 per cent to be paid when the state accepts the finished product, then the village will pay the full amount.

## Pearl M. Spiziri Buried Wednesday

Pearl M. Spiziri, 858 Main st., died Sunday, August 30 at 7 p. m. at her home following eighteen months of illness. She came to Antioch in 1946 from Chicago where she had lived for many years. She was the daughter of Edward and Ella Bickley.

Survivors are her husband, Sol J. Spiziri, her mother, Mrs. Arthur Edgar, five nieces and one nephew. She was preceded in death by her father, E. Bickley, a sister, Violet Loftus, and her step-father, Arthur Edgar.

Funeral services were held at 10 o'clock Wednesday at the Strang Funeral home. Interment was in Hillside cemetery.

### Pay Off Meter Debt

When it was found that the village's debt on the purchase of parking meters was slightly over \$700 and the meter fund contained in excess of \$4,000, village trustees Tuesday evening voted to make total payment at once. With the exception of the cost of repairs all receipts will be clear profit from the meters hereafter.

### Commodore Perry's Railroad

One century ago Commodore Perry of the United States Navy arrived at Japan with the mission of negotiating a commercial treaty with that empire. With him, it has recently been revealed, went a miniature railroad, something like the ones now found in amusement parks, which he presented to Japan's rulers. And this little railroad played a significant role in the treaty negotiations. For Perry used it as an outstanding example of progressive American enterprise, and to demonstrate to the Japanese the advantages of trading with the United States.

It was natural that Perry should have done this. At the time, the railroads were spreading out to and beyond the Mississippi, and opening the frontier to civilization. Perry himself had seen towns and cities and enterprises created as the railroads entered new territory and helped tame the wilderness. He foresaw, as well as anyone could in those days, how transportation by rail would peacefully revolutionize the continent.

The railroads of today are a far cry from the primitive systems Perry knew. And their service to this nation is greater and more essential than it was then, even though the frontiers are gone. Steel rails tie together every part of the country and every phase of industry with the most efficient, economical and dependable transportation system the world knows. The little railroad that Perry took to Japan was a perfect symbol of American progressiveness and the American spirit.

### A Lesson From East Germany

The people of East Germany have experienced the oppression of dictatorship and a planned economy. They have had only one right and that is to produce at the order of those in power. They know from bitter experience what private trade and independent unions mean. To them they mean the difference between being free men and slaves.

The next time you hear someone advocating government ownership of industry, remember how desperately workers in East Germany and elsewhere are struggling to return enterprise to private hands in order to bring back individual opportunity and free trade unions.

### Atom or No Atom

The New York Times recently ran an interesting editorial on coal use and some of the problems the coal industry must deal with.

The times pointed out that there have been drops in coal production, due to various causes. Then it said: "With coal wages here five times as high as the European average the ton cost here is about one-third that of Europe."

"The coal people look forward to a time when the demand for their favorite fuel will grow again—possibly in twenty years or so—to twice its last year's level of 465,000,000 tons. Ingenuity, economic law and psychology are all involved. In the end the nation will need every ounce of energy it can get, atom or no atom."

Coal has and no doubt will continue to have its ups and downs, but it is inconceivable that it will ever become obsolete. It remains a primary source of heat and energy, and it is basic to the operation of such key enterprises as steel and electric power. Research has made it the source of hundreds of new and valuable chemical products which will be used to an ever-increasing extent as time goes by. Our reserves of coal are enormous, and the industry's technical achievements are of the highest order. Its position in a world whose energy requirements seem to know no limit is secure.

### The Newest Idea

The Fairport, New York, Herald-Mail recently said: "Our country with its idea of individual liberty as stated in the Declaration of Independence is still the newest idea in the world. . . . Many of us in our own country fail to understand fully the essence and the newness of the American idea."

Were our government to follow the example of many of the old-world countries and socialize the property and enterprise of the people, it would be so engrossed in ownership that it would no longer be a government of the people but only the proprietor and administrator of the nation with no responsibility toward the individual other than that of ruler and keeper.

The idea of serfdom is old. The idea of liberty for all is new.

### The Low Down From Hickory Grove

From "shirt sleeves to shirt sleeves" takes but three generations—is getting a work-out. It is getting a test, not on individuals but on Govt. She looks like we gotta watch our step more than we have been watchin' same or we will prove that a robust, youngish Govt. can go haywire just as easy as the second and then the third generation removed from a rugged grandpa and grandma can step out and fizzle the soup for the fourth.

The whole idea of "old world" govts., walking the plank and going up in smoke in Alexander's and Napoleon's times has been heaved out the window by our "brilliant" wise boys. We will plan it 100 per cent different, they tell us—henceforth nobody need sweat—or save—or think. And so the younger generation, not having been around much, seconded the motion, hired a batch of baby sitters, bought a long convertible, forgot or never did know that in 1853—100 years or 3 generations ago—that he who ate best in his later years perspired most in his earlier ones.

With the Nation's debt up around our adam's apple—our present crop of youngish sprigs will soon need to sell its rakish convertibles, fire its baby sitters, raze half the buildings in Spendville-town—bail out a ponderous Govt.—reach for its work shirt.

Yours with the low down,

The three 18-year-old Rosecrans youths, Danny Stiehr, Bob Finkel and Don Stoneberg, returned home at 2:30 Tuesday morning, Sept. 1 from their vacation trip to Fairbanks, Alaska. They were gone just 13 weeks. They left home on Tuesday, June 2 driving a new GMC truck with a built on house trailer containing their bunks and cooking equipment. They drove up Alcan Highway to Fairbanks in less than two weeks. They came home over the Hart Highway to the west coast where they visited relatives, the Dick Vose family, at Marion, Oregon, and friends in Richland, Wash.

Mrs. Richard Wells and baby daughter spent the week end in Milwaukee at the home of her parents, Mr. and Mrs. Carl Zello. Her husband, Richard, who is with the army in Korea has been made a sergeant recently.

Mr. and Mrs. Frank Norris moved on Sunday from the Spiering cottage to their new home they purchased recently at Rock Lake, Wis.

Mr. and Mrs. Wilson King and family visited the Chris Paulsen family at Whitewater, Wis., on their vacation last week.

The Misses Sue and Harriet La-Crosse from Dolton, Ill., and Miss Carrie Fisher from Chicago were Sunday afternoon callers at the Will Thompson home on their way home from a vacation trip to the Wisconsin Dells.

Mr. and Mrs. Curtis Wells attended the funeral of Mrs. Ida Webb in Waukegan on Friday.

Wayne Finkel left on Monday for his second year at Wabash College in Crawfordsville, Ind.

You're "sitting pretty" behind the wheel

Take this Bel Air model. First thing you'll notice is the quality of the interior. Rich-looking appointments. Roomy seats with foam rubber cushions. Turn the key to start the engine and you're ready to go.

You can see all around

You look out and down through a wide, curved, one-piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.

And it's the lowest-priced line

A demonstration will show you that Chevrolet offers just about everything you could want. Yet it's the lowest-priced line in the low-price field.

Biggest brakes for smoother, easier stops

An easy nudge on the pedal brings smooth, positive response—right now! Chevrolet's improved brakes are the largest in the low-price field.

I figure this demonstration saved me many hundreds of dollars!

I expected to pay that much more for a new car until I discovered I was better off in every way with this new Chevrolet!

Let us demonstrate all the advantages of buying a Chevrolet now!

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

You get greater getaway with the new Powerglide®

A lot finer performance on a lot less gas. That's what you get with the new Powerglide automatic transmission. There's no more advanced automatic transmission at any price.

You get more power on less gas

That's because Chevrolet's two great valve-in-head engines are high-compression engines. In Powerglide® models, you get the most powerful engine in Chevrolet's field—the new 115-h.p. "Blue-Flame." Gearshift models offer the advanced 108-h.p. "Thrifty-King" engine.

It's heavier for better roadability

You're in for a pleasant surprise at the smooth, steady, big-car ride of this new Chevrolet. One reason is that, model for model, Chevrolet will weigh up to 200 pounds more than the other low-priced cars.

## Miss Beverly Frank Becomes Bride Of Donald Wienke

Miss Beverly Frank, daughter of Mr. and Mrs. Herman Frank, Wilmet, Wis., and Mr. Donald Wienke, son of Mr. and Mrs. Marcus Wienke, Bristol, Wis., repeated their nuptial vows in a beautiful candlelight ceremony at the Peace Lutheran church, Wilmet, Wis., August 29, the Rev. R. P. Otto officiating.

Miss Frank, given in marriage by her father, chose a chantilly lace over a satin wedding gown, with a standup collar and front panel pleated nylon tulle with cathedral length train. Her fingertip veil was edged in lace and her seed pearl tiara was borrowed from a cousin of the bridegroom. She carried a bouquet of stephanotis and an orchid.

Her maid of honor, Miss Mardella Kohlstedt, Yetter, Iowa, wore a pastel blue full length gown, with strapless bodice of pleated net with a stole and a tiered net skirt. She carried a bouquet of blue and white carnations. The bridesmaids wore dresses identical to the maid of honor. Miss Rosemary Bolton, Kenosha, friend of the bride, wore orchid and carried yellow carnations; Mrs. Warren Smith, sister of the bridegroom, wore yellow and carried a bouquet of orchid carnations. Mrs. Ray Fritz, Lake George, friend of the bride, wore green with pink carnations. Marjorie Zarnstorff, Richmond, Ill., cousin of the bride, and Sally Kenyon, cousin of the groom were junior bridesmaids and wore pink. They wore full length gowns with a scoop neckline and ruffled skirts and carried blue carnations. All attendants wore floral headpieces to match their gowns. Miss Kathy Shannon, Bristol, was flower girl. She wore a white taffeta gown with a lace bodice and carried a bouquet identical to the bride's.

The bridegroom chose Ray Fritz, Lake George, as his best man. Richard Frank, brother of the bride, Robert Shannon, Bristol, Wayne Smith, Kenosha, were ushers. Bobby Balza, cousin of the bride, of Moline, Ill., was ringbearer.

Four hundred guests attended the reception which followed the ceremony at Randall Town hall at Bassett Mrs. Ida Swenson, Spring Grove, Mrs. Harvey Brown, Wilmet, poured. Mrs. Frank McConnell, Minneapolis, Minn., and Mrs. Charles Wienke, Bristol, cut the wedding cake. Dawn Jerde, Wilmet, took care of the guest book. Herbert Jaquish, Mt. Prospect, sang two vocal solos, accompanied at the organ by Miss Edna Otto of Wilmet.

The bride's mother wore a rose lace dress with navy blue accessories, a corsage of white carnations and pink rose buds. The bridegroom's mother wore a blue crepe dress with black accessories and corsage of white carnations and pink rosebuds.

The bride graduated from the Wilmet High school and was employed as secretary in the sales department of Abbott Laboratories, North Chicago. The groom is engaged in farming with his father. The couple will make their home at Bristol after a honeymoon trip in Wisconsin and Michigan.

## ANTIOCH WOMEN'S CLUB GIVES BENEFIT PARTY FOR DOWNEY HOSPITAL

The Antioch Women's club reports another successful benefit card party, held Thursday, Aug. 27 at the Antioch Grade school. The funds raised are used to pay expenses of the regular monthly parties the club gives to the veterans at Downey hospital. Mrs. Anthony J. Scully acted as general chairman for the affair. Members of the club wish to extend their thanks to all who attended the party and to thank the merchants for their generosity in donating the prizes.

## GUEST OF VANDERSTAPPEN RETURNS TO HOLLAND HOME

Miss Minnie van Hoek of Heesch, Holland, has been visiting her sister and brother-in-law, Mr. and Mrs. Martin Vanderstappen at Bluff Lake. Miss van Hoek is a leader of intermediate and senior troops of girl guides in her home city.

The leaders of girl scout troops in Antioch, Grass Lake and Lake Villa entertained her during her visit and enjoyed exchanging experiences with her.

Miss van Hoek sailed for home last Saturday (August 29).

Lakeside Rebekah Lodge entertained the elective officers of District No. 3 at the I. O. O. F. hall Wednesday evening. Following the program a luncheon was served. Mrs. M. M. Stillson, district treasurer and other officers of the Antioch lodge will be entertained at Libertyville Thursday evening. Mrs. Stillson was a guest at Barrington last Thursday evening.

Mr. and Mrs. Raymond Wells and sons, Russell and Roger are vacationing in northern Wisconsin.

## Kenosha County Couple Married Sat.

Above are Mr. and Mrs. Donald Wienke, who were united in marriage Saturday, August 29, at Peace Lutheran Church, Wilmet, Wis. Mrs. Wienke is the former Beverly Frank, daughter of Mr. and Mrs. Herman Frank of Wilmet. Mr. Wienke is the son of Mr. and Mrs. Marcus Wienke of Bristol, Wis. Photo by Malcolm Albey.

## EAST SHORE GARDENS HELD THIRD OUTING

The third annual family outing of the East Shore Garden Improvement Association of Lake Villa on Rte. 59 south of Grand ave. was held Sunday. A notice before the event arrived too late for publication.

Mr. and Mrs. Ed. Frazier and two daughters returned home Tuesday evening from a motor trip to Florida. On their way home they went to Washington, D. C. and there visited Peter Poluos, son of Ted Poluos of this village. Young Poluos, now serving as a navy escort, has been advanced to sectional leader.

Mr. and Mrs. Gile Edwards and daughter returned from their combined business and pleasure trip in the East stopping at Niagara Falls and places in Canada, visiting relatives and friends.

Mr. and Mrs. Fred Bjork returned home Monday after a week's vacation trip to North Dakota and the Black Hills.

## Parents of Daughter

Mr. and Mrs. Art Meyer are the parents of a daughter, "Cynthia Ann" born August 25 at Victory Memorial hospital, Waukegan.

Mrs. Robert Willon and sons, Robert and Billie, left Wednesday morning for a few days visit with relatives at Pittsfield.

Mrs. Homer B. Gaston returned home Saturday after spending two weeks at Carmi, with her mother, who has been very ill.

## Tips on Traffic Safety

By  
CHARLES F. CARPENTIER  
Secretary of State

Perhaps the most dangerous operation in highway driving is overtaking and passing another car, especially if it is traveling at a speed not much slower than your own. It is a situation which presents all sorts of possibilities for accidents.

When you are passing another car, try to accomplish the actual passing in the shortest possible length of time, so you will be in the left hand lane as little as possible. Stay well to the rear of the other car until you can see you have the time and the room to pass.

Then gather the speed necessary to pass before you actually overtake the other car. This way you will get beyond the other car in a shorter length of time than if you try to accelerate and pass at the same time.

If an emergency arises, you will be able to get back into your own lane quickly and without endangering the fellow you are attempting to pass.

## Thirty-Three Grads Of A.T.H.S. Go to College This Year

Many Antioch community young people will attend colleges or universities this fall. The local high school announced this past week that the following transcripts have been sent to the directors of admission of the following schools:

William Farmer, Illinois State Normal University; Wayne Bailey, Xavier University; Lorraine Stenel, Valparaiso University; Eugene Baethke, University of Illinois; William Deering, Wabash College; David Petty, Carroll College; Marilyn Gliniecki, Marquette University; James Osmond, Purdue University.

Doris Petersen, Illinois State Normal University; Tom Elwood, Florida Southern; Marlene Wertz, University of Illinois; Joan Cervinka, Northern Illinois State Teachers College; Nancy Sheehan, Illinois State Normal University; Joseph Duane, Notre Dame; Patsy Keulman, Wisconsin State Teachers College; Caroline Cullimore, Christian College.

Bruce Stahmer, University of Illinois; Leo Bogaerts, Marquette University; Mary Fields, University of Illinois; Sylvia Beelow, Northern Illinois State Teachers College; Robert Seekatz, Florida Southern; Duane Weber, Southern Illinois University; Gordon Heuer, Miami University; Robert Wilton, San Diego State College; Fred Zelen, Milikin University.

Robert Floyd, Mississippi Junior College; Geraldine Paglusch, Wright Junior College; Boake Baird, Northern State Teachers College; Charles Bock, Miami University; William Dekant, Quincy College; Jerry Quilty, Miami University; Mary Ann Vanc, Blackburn College; and Ermit Finch, University of Chicago.

In the list above 28 graduates of the class of 1953 expect to attend school for advanced study. In other words 42 per cent of the 1953 graduating class of 87 want to avail themselves of higher education. This compares with the national average of about 20 per cent.

## High School Building Well Maintained Is Remark Board Hears

"Your school plant is maintained beautifully." This remark was made by a local citizen when visiting the high school recently. Numerous visiting school board members and lay folks have inspected this summer the existing building and the new addition. Remarks such as the one above have been made on several occasions.

The local board of education consisting of Fred Scott, president; Louis Biel, secretary; Walter Hillis, Elmer Rentner, Lester Hamlin, M. C. Cain and Roman Vps have endeavored to organize a long term program of maintenance and repair for the high school. The board sincerely feels that a consistent well planned program of maintenance from year to year is more economical than a haphazard program. With this policy in mind the custodians have been busy all summer washing walls and woodwork. Floors throughout the building have been sealed and waxed.

Lockers in the existing building have been recessed and made stationary. Book shelves and cabinets have been built into various classrooms. Concrete slabs were poured in boys' physical education rooms so that lockers could be elevated off the floor to make cleaning easier. Hall areas and three classrooms in the existing section of the plant have been redecorated to coincide with the new addition. New storage and display cabinets have been placed in the newly decorated general science room. Additional furniture was purchased for an English room in the new section—consequently all academic and special facilities in the new addition will be in use this fall.

The old auditorium which was converted into a girls' gymnasium has been treated with acoustical tile. The gym will also be used for social functions throughout the year.

## CHANNEL LAKE NEWS

School will start Sept. 8. Hot lunches will be served this term as previously.

A first aid course will be given by the Red Cross if a large enough class can be formed. All members of Channel Lake Community club who are interested may contact Mrs. John Holm at Antioch 202W.

District Scout Commissioner H. Jesse was surprised at the lack of parental cooperation in the Channel Lake area, consequently the next meeting of the club will be devoted to Scouts.

Open house will be held in Channel Lake School basement Oct. 5, for all residents of the community. Pot luck supper will be at 6 p. m. and Mr. Jesse will show a movie at 7:30 explaining fundamentals of Scouting.

Mrs. Blanche Horton, senior regent of the Women of the Moose (left) is shown congratulating Mrs. Florence Dexter, chaplain, and director of the Hayloft Jamboree after she had been presented a bouquet by Mrs. Jane Meyers during the performance.

### Tax Collection In Antioch Twp. Sets New Record

Town Collector John Horan announced yesterday that collections this year were \$25,000 in excess of last year, setting a record.

Collections in 1952 were around \$350,000 and this year \$375,000. On the books for collection were accounts totaling \$821,545.72. That uncollected by Horan will be collected by the county treasurer.

Horan said that 10,000 parcels were listed in Antioch township for taxation. Of this number, 3,600 to 4,000 were sent to Chicago for collection.

### Dr. B. H. Burke, Dentist, To Re-Locate in Antioch

Dr. B. H. Burke, dentist, who was called into service in February, was mustered out Aug. 21 at Laughlin Airforce Base, Del Rio, Texas, and has returned to Antioch to re-locate his dental office as soon as he can find office space.

Dr. Burke would not have had to go into service because of his previous 3 1/2 years during World War II, but this was not learned until after he had sold his home and left his office.

He was accompanied here by Mrs. Burke, but the children were left with the grandparents in the East.

### Rescue Squad Fund Receives Many More Good Contributions

Contributions to the Antioch Rescue Squad fund are coming in "pretty good," said Chairman Loren Sexauer this week as he released the list of approximately 50 more donors. Most of the contributors were from the environs of Antioch.

They were: Henry Ruggles, Mrs. Kopach, G. F. Schvenstedt, Anton Skiba, Gladys June Olson, Mildred Michelson, Fred Gros, Sam Duda, Mrs. Louise Hetzel, Lynn Ott, Connie Cortese, C. Woolman, Maureen O'Keefe, E. Barth.

C. H. Elsby, Bert Hagglund, Claude B. Snyder, R. DeWeese, L. Shultis, Ed. Hamelberg, Dr. D. N. Deering, Cottle Zettek, Eva Huey, Paul Provencal, Mrs. H. W. Lang, Mr. and Mrs. W. Provencal, Henry Jensen, Howard Sokol, Joseph Shibai, K. Biklemer.

Joseph Rozbesky, C. P. O'Brien, Mrs. Flint, Mrs. Verkest, John Gable, Harry Lonson, Mary and Dan Coluccio, S. Kreishelmer, Logan Lake Rod and Gun Club, Robert Robertson, Benjamin F. Miller, Herman Ulrick, and Henry Ulrick.

### China Company Cleaning Away Debris of Fire

The Regal China Company is busy cleaning away debris of its recent disastrous fire.

Inquiry was made of the village board on the matter of drainage and the board's engineer has advised the authorities to require the company to install a good seepage for its industrial water and use the sewers for sanitary purposes only. The board has not been informed of the industry's plans.

Antioch war veterans took a prominent part in the welcome home celebration for Lake County's only Korean prisoner of war, Martin Christensen, at Libertyville Monday evening.

The Veterans of Foreign Wars provided a color guard and colors for the parade which formed at Rockland ave. and escorted the caravan that brought Christensen to Liberty from Chicago to the village square where a welcoming ceremony took place.

Ray Mann, Lake County V. F. W. commander; Martin Siegler, American Legion District Vice Commander; Mayor Francis Berry of Libertyville; John J. Noel, mayor of Mundelein; and David Van Patten, chairman of the Lake county board of supervisors, were the speakers.

Appearing on the platform from Antioch were John Horan, district Legion officer and member of the committee in charge of the welcome, and J. L. Armstrong, V.F.W. district adjutant.

Forming the color guard with Armstrong were Cmdr. Virgil Burnett, Dick Burnett, Tony Sciacoro, Russell Nickerson, Warren Sheehan and Don Collins.

Mrs. Marguerite Stitt Church, congresswoman from this district, was mistress of ceremonies.

"We come to give you honor, Martin—but we take it in coming to see you," she said.

Martin confessed that he was overwhelmed and hadn't expected anything like this countywide celebration that was staged for him. His parents, Mr. and Mrs. Martin Christensen, Sr., expressed their thanks to the people of Lake county for the recognition given their son and the joy they have in his return.

A check for an undisclosed amount of money, and many gifts were presented to young Martin in an effort to make up for the many months he served in a Red prison camp.

### Borovicka Wins First Place Cup On Antique Car

A large silver trophy is on display at Reeves Drug store giving evidence of the fact the 1927 Minerva of the proprietor, George Borovicka won first place in the special merits class of antique cars at the Illinois State Fair.

Borovicka has had the car two years and has won other trophies but this one is his finest.

The car is said to have been built in Belgium especially for ex-Kaiser Wilhelm while he was in exile at Dorn. It has six cylinders, a sleeve valve motor, 200 horsepower and will travel up to 90 miles an hour.

Borovicka only drove at 50 miles an hour to Springfield and back, fearing that higher speed would damage or break one of the parts and they "just can't be bought, but have to be made especially for the car."

The druggist said that he gets 15 miles to a gallon of gasoline from the 20-year-old car.

Raymond Kirkhoffer of Zion, is the expert mechanic who makes it and other antique cars in this area run so well.

Borovicka won another trophy at

## Sixty-Three Boys Out For Football Practice At A.T.H.S. This Year

Sixty-three boys have received equipment and are working out daily as candidates for the Antioch High School football squad.

The extremely high temperatures have kept the squad from suiting up in full equipment and doing any extremely hard drills. Many of the boys have missed morning practice because of work, but a good showing has been maintained at the evening drills, Coach Paul Kessenich said.

"The spirit of the squad seems excellent," said the coach.

Kessenich expects to do some scrimmaging Saturday with some blocking and tackling today and tomorrow. These plans may be modified if temperatures are high.

Twenty freshmen are out for football so far this year. The sophomore class has supplied 15 who will be under the coaching of Robert Lambert. Fifteen juniors and 13 seniors will make up the varsity squad.

Members of the squad as supplied by classes are as follows:

Seniors—Henry Kapell, Fred Miller, Joe Gutowski, Dick Haderberg, Dick Huml, Larry Lass, Bob Duka, Phil Burdord, Tom McGreal, Bill Terry, Harold Wilson, Phil Vos, and John Wells.

Juniors—Jack Lawrence, Fred Clarke, Bill Gallagher, Butch Brownlee, Jim McMillen, Bill Blake, Chuck Davis, Harry Lingren, Ken Van Patten, Benny Floyd, Allan Masopust, Mike Haviland, Paul Mattson, Paul Eckert, and Roy Ballwanz.

Sophomores—Chuck Behrendt, Al Reckers, Don Cardiff, Bill Herman, Wayne Swanson, Harve Strametz, Tom Kelly, Jim Scully, Vernon Burdick, Tom Haley, Eric Hohnwald, Don Schroeder, Frank Walsh, Bill Layton, and Jim Bown.

Freshmen—Richard Kapell, Dennis Holmes, James Stubner, Bill Barnstable, Roger Plechaty, Fred Libert, Ralph Zelen, Richard Vik, Chuck Larson, Ray Van Patten, Jim Lystlund, Jerry Huml, Lonny Christensen, Jack Elliott, Tom Gudgeon, Roger Wolf, John Matteoni, Richard Srch, Don Lubke-man, and Dick Meyer.

## High School Buses Will Operate on Wednesday Hauling 335 Students

The local high school bus service will operate for the first time this school year on Wednesday, Sept. 9. High school pupils are reminded that the buses will not operate on the opening day of school Tuesday, Sept. 8. Transportation will have to be furnished by the students on the opening day.

Antioch High school will operate four buses this year. Porter Larson will drive the 1952 Chevrolet and is scheduled for the Grass Lake area between 8:13 and 8:32 a. m. He will return students to their homes at 3:20 p. m.

Arthur Andersen, driving the 1948 Chevrolet is scheduled for Lake Catherine and North Avenue at 7:45. He will transport both high school and grade school students. They will be returned to their homes at 3:20. This bus will make a second run to Lake Villa on the same time schedule as last year.

Robert Bolton driving the 1947 Ford bus will make the run east of Antioch on a schedule similar to last year's picking up students between 7:50 and 8:35 a. m.

Robert Hunt will drive the International bus making a run to Channel Lake between 7:35 and 7:55 and a second run to Deep Lake and Lake Villa from 8:10 to 8:30. Warren Polley is a qualified driver and substitutes on any of the buses.

All drivers hold current Red Cross first aid certificates. These are issued upon the completion of the standard course of instruction in first aid to the injured and are good for three years. Drivers must also pass annual physical examinations for the renewal of their school bus driver's permit and possess a chauffeur's license.

Buses are inspected twice each year for safety and must have operating permits issued by the state. The buses will transport approximately 335 students this year. Less than 15 students ride more than 30 minutes. The average length of ride is 15 minutes. Drivers take pride in running their routes on exact schedule; a copy of which is given each student.

Elmo Edwards, assistant principal, is transportation supervisor at the high school.

Mrs. Eugene Hawkins of Spafford st. was given first aid care by the Antioch Rescue squad Tuesday evening after she suffered a heart attack.

Mt. Prospect on July 12 during an antique car show.

Several hundred antique car owners were lined up and entertained at the state fair and then invited to return with their cars next year.

## California Subdivision Has Spirited Election; Carlson Now President

The California Subdivision, one mile west of Antioch on Lake Marie north, held its annual election of officers on Sunday, Aug. 30, at Soper's Spa, Fifth avenue and Rte. 173.

In a crowded but cordial meeting with the largest turnout on record, the voting proceeded smoothly. Much interest was shown and the contest for officers was hotly fought. Election results placed as president, Frank Carlson, Fifth avenue, replacing Buckley Gillum; for secretary, Hal Burnson of Seventh avenue, replaced Rocco Maratto; and for treasurer, John Mulac, Fourth avenue, replaced Richard Gruner of Otto's Steak House.

John Olsen, chairman of the voting committee, congratulated the new officers and called for a rising vote of thanks for the past year's officers. The retaining of the past president was accomplished by his appointment to sergeant at arms.

After a highly enthusiastic farewell to the old officers, President Carlson appointed his new staff. Without objection, the following outstanding residents were chosen:

Fund raising chairman, John Olsen, Third avenue; Turkey parties, Thanksgiving and Christmas, John Zahran, Third avenue; Aldermen for the avenues as follows:

First Avenue, Mrs. L. Thornton; Second Avenue, Peter Spander; Third avenue, John Olsen; Fourth avenue, Jerry Tintera; Fifth avenue, Joe Kodl; Sixth avenue, Mrs. G. Calcott; Seventh avenue, Hugh Shea.

The retiring president, Buckley Gillum, praised the gathering for its community spirit and guaranteed the new officers greater support than the 1952 group had been given.

The California Subdivision's progressive residents invite all to visit to see and believe the advances a co-operative effort will bring to a community; from lovely homes, beaches, lawns, and gardens, to perfect roads. This subdivision shows how much can be accomplished when citizens work together in a common interest, officials said.

## Receives Discharge

Arthur Kruchell, (GMM) son of Mr. and Mrs. William Sale of Indian Point, has been honorably discharged from the U. S. Navy receiving station, Norfolk, Va.

## WRESTLING

Judo style wrestling will be on tap Friday night in another all-star mat promotion at Lake County Stadium in Round Lake Park, Ill. Tor "The Great" Yamato will pit the best in Japanese methods against the American skills of Billy Darnell, one of the finest athletes ever to come out of Philadelphia. They'll grapple in the headliner at 2 of 3 falls or 60 minutes.

Darnell, who travels about the country with his pretty wife who used to dance on top TV shows, has been a highly-rated matman for six years, and before that made All-America with the Temple University football team. He was also an archery champ. He wears a leopard's skin in the ring, and is just swift enough to cope with Yamato's judo chops.

The Jap was a crowned native of Tokyo, where they awarded him medals at the Kodo Kwan judo headquarters. He has hospitalized a dozen top U. S. products since coming here a year ago. Aiding his cause is a servant girl named Hanako San, who bows and waits on the fiendish fellow before each bout. Yamato, expressing the worst of Japanese traits, was featured in Ring magazine last month.

On the same program Friday night, rough-house Art Nielsen of Atlanta, Ga. takes on Mexico's Juan Hernandez, in a semi-final clash, and there's also a tag team affair, with Trader O'Neill, bearded Hong Kong warrior, and Milt Olsen of Wisconsin facing Treach Phillips of Columbus, O., and Baron Arena, of Italy. So there's an international touch here. These bouts promise to give fans in the area their most exciting entertainment of the season.

The show will begin at 8:30 p. m.

## Cubs Continue Victories Behind Pyle's Pitching; Sox Win Three Games

Two victories and a tie were chalked up by the Cubs in the Little League as the result of Pyle's pitching and the club's good team work.

The Dodgers tied the Cubs in a game ended by darkness, but Pyle's no-hitter beat the Giants and the Cubs also trimmed the Tigers.

In the meantime the Sox, whom the Cubs beat Aug. 24, came back strong by defeating the Giants, Dodgers, and Yanks.

**LAKE VILLA**

An outdoor worship service for the Community church is being planned for Sunday, Sept. 20. Church school classes will be held at the church, then go to the Sherwood park for the worship service which will be followed by picnic dinner at the park and all are welcome. Just bring a well filled picnic basket and join your friends for a pleasant afternoon.

Mrs. Gertrude Wilson who has been at her cottage at Petite Lake for the greater part of the summer, has returned to her home in Cleveland, Ohio, with her son and family who spent last week here and returned to Cleveland early in the week.

Mr. and Mrs. C. W. Dunbar and family of Chagrin Falls, Ohio, near Cleveland, spent a few days last week with their parents, Mr. and Mrs. C. N. Dunbar at their home in Petite Highlands.

Mr. Ephraim Swanson of Deep Lake, an artist who attracted much attention last year by his paintings of scenery, passed away quite suddenly last week at the home of his son, Harry, at Deep Lake, and funeral services were held at the Strang Funeral home in Antioch on Friday, with the Rev. Kenneth Plummer of Lake Villa officiating.

Mrs. Clarence Bradee and Barbara spent a few days this week with her parents in Chicago. The Lester Hamlin family visited Mrs. Hamlin's father, Arthur Nauta and family near Brookfield on Sunday and also visited the Brookfield zoo. Marilyn Hamlin who had spent the week with her cousins, returned home with her parents.

Allan Hamlin, with Ronald Scully and Kenneth Huebner of Antioch left on Monday evening of last week to enjoy a Florida vacation trip after their summer work and before starting off to college. They spent Monday night at the Huebner home in Chicago and left Tuesday on their trip.

Mrs. Edna Anderson was very pleasantly surprised on Sunday, Aug. 23, when a group of relatives came to her home at 634 N. Main st. in Antioch to help her celebrate her 75th birthday anniversary. Present were Mr. and Mrs. Walter Butts, Mr. and Mrs. Palmer Lundberg, Mr. and Mrs. Henry Butts, all of Rockford, Mr. and Mrs. Rufus Anthony of Zion, Mrs. Sue Koehn of Racine and Mr. and Mrs. Ray Burnett of Lake Villa.

Miss Janet Bunkelman, daughter of Mr. and Mrs. Lester Bunkelman, of Cedar Avenue, was a patient at Victory Memorial hospital a few days last week as the result of a fall at Sherwood park which caused a slight brain concussion and she was unconscious for several hours. However, she was able to come home at the end of the week.

The Pinochle club held its bi-monthly meeting on Tuesday afternoon with Mrs. Lottie Barnstable at her home. Games of pinochle were played after the pot luck dinner at 12:30 to which all contributed.

Mr. and Mrs. Henry Nader and Mr. and Mrs. William Harrell attended the Wisconsin State Fair at Milwaukee last Wednesday afternoon and evening.

Mrs. Windsor Dalgard entertained a group of young women, several of whom were former high school classmates at a party at her

home on McKinley avenue on Wednesday evening of last week. Cards were played during the evening and the hostess served delicious refreshments at the close of the party.

**DEEP LAKE NEWS**

Hannah Kaller returned to Deep Lake Saturday after a three month vacation trip in Europe and her homeland, Denmark. Hannah left Europe Aug. 17 and flew to the United States, arriving on Aug. 19. We're sure Hannah had a wonderful trip and has a lot of interesting news to share for everyone.

Miss Susan Carlson had a birthday party Tuesday, Aug. 25 for all her little friends. She is now a little lady of five years of age.

David Klein also had a birthday party Aug. 26 for his friends. After their ice cream and cake his

mother, Mrs. Klein took all the children to the zoo at Hawthorne-Melody Farms.

Mrs. Edna Stevens gave a lawn party on Saturday, Aug. 21. The guests were Mr. and Mrs. Allen Oberding, Mr. and Mrs. C. J. Maier, a sister, Mr. and Mrs. Ernest Maier, Mrs. Emmie John, a sister, and Mrs. Olga Roeschlein. In the late

afternoon the party ended the day at the Honey Bear Farm, completing a lovely day.

H. Swanson's father passed away Wednesday, Aug. 26. We all extend our deepest sympathy.

Tips on  
Traffic  
SafetyBy  
CHARLES F. CARPENTIER  
Secretary of State

It's wheat harvesting time in Illinois, at present, a period during which there is an additional hazard on the highways for passenger car drivers. That hazard is the combine.

This large piece of farm machinery must be moved from farm to

farm, and while farmers don't keep it on the highway any longer than necessary, it is very decidedly a danger spot when it is there.

Farm equipment moves much slower than normal automobile traffic, and you will need a lot more time and distance to slow up enough to stay behind it than you will when you are overtaking another passenger car.

Combines particularly are huge pieces of equipment, and even though the operator is staying as far to the right as possible, even riding far out on the shoulder, they still cover a lot of the paved area. You will need more room on the left and will have to use considerably more caution to get around them.

Be on the lookout for combines and other farm equipment, especially when coming over the crest of a hill or around a curve.

**What is Magnetism?**  
A material such as iron is made up of a multitude of minute magnets, called magnetic domains. Ordinarily they are in random positions. The effect of one neutralizes that of another and they all cancel out. When the bar is placed in a magnetic field (produced, for example, by an electromagnet) these domains tend to line up and the bar is magnetized.

## Governor Signs Veterinary Clinic Bill

Representative A. B. McConnell (R), Woodstock, looks on as Governor Wm. G. Stratton signs the appropriations bill for \$586,000 to cover the building cost for a new large animal clinic as part of the College of Veterinary Medicine at the University of Illinois. Representative McConnell was chief sponsor of the bill.  
The new clinic will enable the veterinary college to enroll classes of about 40 students each year instead of the present 24.

WASHINGTON AND  
"SMALL BUSINESS"  
By C. WILSON HARDER

There is growing Washington concern over increased business failures. With more than 700 firms a month going to the wall, failures now exceed 1950 before Korea.

Naturally, there are many differing schools of thought in Washington on the problem. Economists imbued with Big Business reasoning, seek to sell the very keener competition, lack of experience or capital is major failure reason.

But facts do not agree. Normally, business failures are due to lack of trade, with retailers hit first. But in the present situation, wholesalers show biggest failure increase.

This is an important fact because wholesalers, by and large, are not shoe string operators. The very nature of the wholesaling business requires considerable capital and experience.

This condition was inevitable.

There are two major reasons.

One is wholesalers must stock goods made by firms who closely control supply and prices.

But many wholesalers, instead of representing these manufacturers, find they are actually competing with the manufacturers on a different price basis.

Manufacturers are more and more putting in their own retail outlets who buy direct from factories on favored deals, and undersell the wholesaler's own customers. In other cases, big retailers are sold direct.

Sometime ago, in tire discount case, Federal Trade Commission National Federation of Independent Business

mission made ruling to eliminate double dealing.

But due to behind scenes shenanigans in Washington, this ruling has yet to be enforced.

The other reason is taxes.

Many wholesalers are taking less "take home pay" out of business, yet assets are bigger.

Wholesalers to do business, keep warehouses filled. Yet replacement stocks keep creeping up in price. This in itself dissipates working capital, but tax situation bites more heavily.

Taxes are assessed on net worth of the business, and actually bear no relation to the amount of liquid cash. Thus, a warehouse stocked with merchandise can be in one tax bracket. But if that stock is sold, and the wholesaler restocks at a 5% price increase, his net worth has increased 5%, which is taxable, even though his cash position has deteriorated.

Then when government failure to enforce anti-trust laws permits the manufacturers who sold the wholesaler to dump goods direct, there is chaos.

In addition, in city after city, warehouse inventories are taxed yearly, even though goods in a wholesale warehouse are actually goods in transit.

It is also significant in heavy percentage of current business failures, a principal unpaid creditor is Federal Government for unpaid taxes.

The problem is serious, but not without solution.

But to forestall the economic Golgotha now building up, government officials must quickly recognize true nature of the problem; take immediate steps to correct it.

## SHORT STORY

## The Pinch

By Orlan Jones

"DID you get a look at her in there?" John Carson asked his wife.

"Yes," Mrs. Carson said quietly. "Did you ever see anything like it?"

Mrs. Carson didn't answer. She was wiping the supper dishes, and he was sitting at the kitchen table drinking a cup of coffee. Mrs. Carson didn't answer because she knew her husband was pretty steamed up, and she knew he was going to do enough talking for both of them.

"I've never seen her look so pretty," Mr. Carson said. And what does she do? She sits in their looking like a scared rabbit. Why, all she'd have to do is flutter one eyelid and that Billy what's-his-name would fall off the sofa in sheer joy."

"His name's Billy Simmons. And you just remember that Helen's shy, and we won't get anywhere pushing her. She'll have to come out of it herself," Mrs. Carson said.

"But when? The girl's twenty now."

"I don't know when. But I do know this date with Billy means a great deal to her. He's the one

she mooned about all the time she was in high school. So don't you do anything to spoil her date tonight."

"She'll spoil it herself," Mr. Carson snapped. "When I came through the living room, she was sitting on one end of the sofa and this Billy what's-his-name was sitting on the other end. Billy looked bored, and she looked like she was going to pass out."

"I know, but there's nothing you can do."

"When that girl was growing up," Mr. Carson said, "I knew she was going to be a looker. I remember how I used to say I'd break the arm of any of these wild boys who came snooping around. But do you know what I wish right now?"

"No," Mrs. Carson said.

"I wish that Billy what's-his-name would pinch her, or something."

Mrs. Carson stopped washing dishes. "Now look here," she said. As he got out of his chair, Mrs. Carson clutched frantically at his arm. "What are you going to do?" she asked. He didn't seem to hear. He just pushed past her and went into the living room.

Helen and Billy were sitting exactly as Mr. Carson had seen them when he passed through the living room a few minutes earlier.

Mr. Carson waited until he was towering above them in front of the sofa before he spoke.

"Now look here, boy," he said. "I heard a noise out in the kitchen. Did you pinch my daughter?"

Billy Simmons' mouth stopped open in protest. Helen turned red, then yellow, then green, then red again.

"Answer me, boy," Mr. Carson said. But his answer came from a different source. Helen rose and stood erect before her father.

"If you ever say anything like that again," she said in a tone that even surprised Mr. Carson, "I will never bring another one of my friends into this house."

"It's all right," Billy said.

"It's not all right," Helen snapped. "You didn't pinch me, and I won't have my father accusing you of such a thing."

"I don't blame him for worrying about you," Billy said. "You're awful pretty."

Mr. Carson watched the compliment soften her. It was wonderful to see her take it without blushing, or getting confused.

Then Mr. Carson watched Helen as she realized for the first time that she stood toe-to-toe with her shyness. He saw the whole story in her face. At first there was surprise, then full understanding, and finally something very strange. Mr. Carson didn't understand the last expression until she spoke.

"All right, Billy," she said. "If you think I'm pretty, how about taking me dancing?"

When Helen and Billy had left, Mr. Carson turned to his wife and smiled.

"Did you see that look on her face?" he asked. "It was brazen—downright brazen."
